

SONG ANALYSIS POWERPOINT

You will be organizing your work in powerpoint using visuals and the analysis that you have done. The total number of slides will be 6.

Instructions :

Go to any of the following websites and search for pictures for slide # 2-5. Follow the evaluation scheme for details. You can only use these sites because of copyright laws.

Websites : <http://www.freedigitalphotos.net> <http://www.webweaver.nu/clipart>

Then, when you are ready, organize your slide in the manner listed below.

Slide 1 : Title Slide (Name of the song & the singer)

Slide 2 : Main Idea Slide (Write your overall main idea in a complete sentence & choose an image from the website provided). Make sure that the image you choose represents the main idea and the feeling of the song well.

Slide 3 : Supporting Idea 1 & Explanation (Quote 1 & Explanation & Image)

Slide 4 : Supporting Idea 2 & Explanation (Quote 2 & Explanation & Image)

Slide 5 : Supporting Idea 3 & Explanation (Quote 3 & Explanation & Image)

Slide 6 : You & your partner's name

Make sure that you have checked for :

1. Grammar
2. Font (size & colour)
3. Background colour
4. Presentation

*****After you have finished, please go to the course website and post your assignment under Week 1. Make sure you put yours and your partner's names (English Names!) as the Subject of the post.**
