

Multimedia Project Pat 2 : Persuasive Poster – Comic Life

Use Comic Life to make a persuasive poster for your topic.

The poster should convince the audience of your point of view (opinion/stand).

You will use :

Text (thesis statement & topic sentences)

Visuals (pictures that explain your topic sentences for each of the paragraphs). These visuals work as your details and examples. Be creative!

- **Use fonts that the audience will be able to read.**
- **Use colors that are related to what you are saying.**
- **Use symbols, if they are related to what you are saying!** (for example, hearts for love, etc).

Use any function of comic life that you would like! Make sure to **SAVE** your work in **D:/ drive** (as comicdoc) and **post it on Discussion Board!!**

Time : 1 hour 10 minutes **(12:10 – 1:20)**
