

Critique- Evaluating Scheme

Total /15

(Assignment Mark 5%)

	Criteria	Explanation	Marks	Comments
1	Content	Careful observation of overall project is evident in the critique provided. Critique shows exceptional understanding of the other groups' project. The strongpoints mentioned are supported with ample details and examples. The constructive criticism is expressed effectively and in a way that shows critical analysis of the project.	/5	
3	Structure	The comments are provided in a paragraph format with a topic sentence, supporting details and a concluding sentence.	/3	
4	Language	Student exhibits vocabulary and choice of words that are exceptional for the level. Student shows awareness and accurate use of word forms.	/2	
5	Grammar & Mechanics	Use of a variety of sentences is exhibited (simple, compound and complex sentences). Spelling, verb tense and punctuation errors are minimal and do not interfere with the readability of the material.	/5
