

POST TESL CERTIFICATE TRAINING (PTCT)

What is PTCT?

PTCT is training in specialized language instruction based on eight research supported standards. (To learn about PTCT standards, please visit TESL Ontario's website at www.teslontario.net/accreditation.) PTCT builds on a foundation of professional knowledge and skills established in TESL certificate training and developed through classroom practice.

Who is eligible to participate in PTCT courses accredited by TESL Ontario?

To be eligible to participate in a TESL Ontario accredited PTCT course, applicants must have completed a TESL Certificate from a TESL training program accredited by TESL Ontario OR hold the TESL Ontario Language Instructor Certificate of Accreditation. In addition, they must have a minimum of 600 hours of experience teaching adults in English as a second language training programs. Applicants are also required to have the prerequisite skills and knowledge specific to the content area of the PTCT course as specified in the PTCT course outline and meet any other admission requirements set by the PTCT course providers.

At this point in time, a limited amount of funding from Citizenship and Immigration Canada (CIC) is available for training fee reimbursement for PTCT course graduates who are currently working in CIC funded programs in Ontario. Reimbursement will be provided to instructors based on availability of funds at the time of application.

PTCT course graduates who hold a valid TESL Ontario Language Instructor Certificate of Accreditation will receive their TESL Ontario PTCT Certificate of Recognition through the Registry of Accredited Language Instructors.
